Description

Maxiglide XC is the original rub-in performance coating for the "wax-less" XC ski bases. When fun is the priority and ski base prep is not, Maxiglide XC will give you very good glide, prevent ice and snow build-up and keep your XC skis running all day without slowing you down.

Long lasting, economical, contains no solvents, no fluorocarbons and produces no fumes.

This is the best size for high volume skiers and **XC** ski rental operations.

Comes with quality buffing pad.

Available in 4 oz family size tub, 60cc tins and individual applicators.
(see *image gallery tab* above for product views)
