Description

BOATGUARD SPF-50…..The New Premium Marine and Boat Polish

BoatGuard SPF-50 is the new American winner in the boat category. This amazing polymer coating provides unmatched GLOSS, deep UV PROTECTION, seals surface with its micro-particle barrier, preventing staining and oxidation.

- Application is Quick & Easy either by hand or with buffer. Just wipe on. No drying time needed. No compounding needed.
- Apply once a year to keep new boats looking new. Oxidized or hazy surfaces instantly restored to like new.
- For use on any fiberglass surface for instant restoration….RV's, campers, hot tubs, air planes and more.
- Does not contain solvents, no fluorocarbons and produces no fumes or VOCs.

Features

1. Restores fiberglass surfaces faster and with less effort than any other product on the market today!
2. Provides maximum UV Protection and Glossy shine.
3. Prevents staining and oxidation.
4. Leaves no hazy powdery residue. No cleaner waxes or compounds ever needed.
5. Entire 30 foot boat hull can be completed in less than 30 minutes.
