

One simple, quick application and your boat is bright and shiny for the full season. Our proprietary [nano-tech formulation](#) cleans, shines and protects any fiberglass, gel coat hull or topside painted surface. Simultaneously removes oxidation, chalking, fading and fills minor scratches in one easy step and without the use of compound waxing.

- Excellent for use on inflatables and kevlar surfaces.
- Available in 16 oz and 32 oz bottles.

16 oz bottle will do a 24' boat in 20 minutes and the 32 oz bottle will do a 32' boat in 30 minutes.

SALE IS FOR THE 32 oz bottle only \$30.95 - a \$34.95 value (free shipping)
